## FROZEN, JR.

---

The enchanting modern classic from Disney, Frozen JR., is based on the 2018 Broadway musical, and brings Elsa, Anna, and the magical land of Arendelle to life, onstage. The show features all of the memorable songs from the animated film, with music and lyrics by Kristen Anderson-Lopez and Robert Lopez, plus five new songs written for the Broadway production.

A story of true love and acceptance between sisters, Frozen JR. expands upon the emotional relationship and journey between Princesses Anna and Elsa. When faced with danger, the two discover their hidden potential and the powerful bond of sisterhood. With a cast of beloved characters and loaded with magic, adventure, and plenty of humor, Frozen JR. is sure to thaw even the coldest heart!

## FROM THE DIRECTORS

---

Having the opportunity to Direct and Choreograph Allegro's first official Children's Theatre Production has been nothing but magical. We've had the best creative team and parents helping us along the way. So we want to start this off with a huge thank you to everyone who helped make Frozen come to life, to include Allegro Theatre for trusting us with our vision.

Frozen is one of those shows that warms your heart from the beginning to the end, that shares a beautiful story of sisterhood. Though we are not blood related, our bond outside of friendship feels like family. We are always in sync when it comes to our passion for theatre! Being able to bounce ideas off each other effortlessly brings a dynamic energy to every project we do side-by-side. Together we blend our unique styles into one cohesive gem, inspiring each other to push boundaries and think outside the box. With that said, you can imagine how much of a dream it is to be Directing and Choreographing together.

Most importantly, we couldn't have done this show without the talent of our wonderful cast! Watching the kids grow from day one of class to showcasing an entire musical has been an absolute joy. Each of them have something so special to bring to the table, and our hope for this show was to make sure all the kids shine on that stage, as they naturally do. With that said, we simply cannot wait to share it with you and we hope you enjoy the show!
